

MANGALORE UNIVERSITY

Mangalore University has retained the **2nd position in India as Most Sustainable University for 2023** as per the UI GreenMetric World University Rankings released on 5th December 2023 at Dubai by the University of Indonesia.

The GreenMetric Ranking is based on green campus and environmental sustainability and assesses the University's commitment to the environment and initiatives towards sustainability. The six criteria on which the assessment is made are Setting and infrastructure, Energy and climate change, Waste management, Water conservation and reuse, Transportation and Education.

Mangalore University has improved in all the above measures and advanced 15 positions over last year and is ranked 137th in the world.

Overall, 39 Indian HEIs participated in this cycle.
