Dept. of Physics, Mangalore University, Mangalagangotri, Karnataka, India - 574 199

Re-advertisement for Junior Research Fellow Position

Applications are invited for a Project Fellow position to work in the Science & Engineering Research Board (Sanction order EEQ/2022/000458 dated 01 March, 2023) sponsored research project at Department of Physics, Mangalore University, Mangalagangotri - 574 199.

Title of the project: "Synthesis and fabrication of Renewable Bio-based 2D porous carbon composite for supercapacitor application"

Duration

: 2 years 4 months

Designation

: Junior Research Fellow

Fellowship

: Rs. 31,000 + HRA per month for JRF/NET candidates, & Rs. 20,000 + HRA per

month. without JRF/NET

Qualifications: M.Sc. in Physics (Condensed matter physics specialization) with at least 55%, the

preference will be given to JRF/NET candidates.

Application should be made on plain paper with following details; Name with address, telephone no., E-mail, date of birth, a recent photograph, details of academic qualifications (from class 10th onwards all mark-sheets/certificates, etc.) and a one-page brief write up on research ideas. Applications should reach the undersigned on or before 20th December 2023.

Note: Short-listed applicants will be invited before a Selection Committee for an interview at Mangalore University. No TA/DA will be given to appear for this interview.
